EDUCATION

Truman State University (Kirksville, MO)

BFA in Graphic Design, Fall 2015 - Spring 2019

EXPERIENCE

Ad Club St. Louis Internship Hop (St. Louis MO)

Graphic Design Intern, Summer 2019

Collaborated in a team environment with copywriter, strategist, and account manager to solve creative and strategic problems for each of the eight agencies we visited over the course of the summer. Designed collateral including logos, web ads, social media content, booklets, and web pages for the agencies according to their respective needs. Our team spent a week at each agency and presented our project to the client, employees from the agency, and representatives from Ad Club St. Louis each Friday.

Fine Arts Design (Kirksville, MO)

Graphic Designer, Fall 2016 - Spring 2019

Communicated with clients to assess their needs. Researched and implemented creative design solutions for faculty and student clients. Managed several projects at once while maintaining client deadlines.

Missouri Botanical Garden (St. Louis, MO)

Graphic Design Intern, Summer 2018

Worked as a part of the publications department, and was involved in all aspects of the creative and production process. Communicated with supervisors and in-house clients; designed brochures, catalogues, posters, invitations, tickets, and ads, including all materials for the Japanese Festival; quoted print jobs; produced production-ready files; and submitted final files to print vendors or printed them myself on the in-house printers.
